Pussy Willow

Lots of insects and birds feed on their pollen.

Bees

Can you find any bumble bees? What colour of tails do they have?

Wild Strawberry

These flowers are quite small so look carefully.

Larch tree

Past the hides and up into the forest. Have the larch trees any red flowers or green cones?

Binoculars

How many binocular signs can you find?

Wild Cherry blossom

Wild cherry blossom

Celandine

How many celandines can you find?

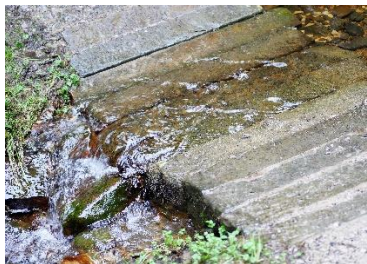

Willow Warbler

Willow warblers sing from the tree tops and build their nests in the tussocks of grass.

Have you heard any birds singing?

Ford

Along the top of the path can you find the ford, where the stream runs over the path?

Lots of trees have white blossom, how many different ones can you find?

Can you name them?

Have you seen any other yellow flowers?

Can you name them?
